Subject: Comment Letter- Wetland and Riparian Area Protection Policy

Dear Sir/Madam,

For the reason (i.e. improved water quality) described in your notice re: proposed wetland and riparian area protection policy and for many other reasons (natural beauty, recreation, biodiversity etc.) I urge you to adopt the most protective measures possible re: CA wetlands, streams, and streamside habitat. Thank you for your consideration on this important matter and good luck in protecting what is left of our natural environment.

Regards
